## **SPIRIT LED MINISTRY SCHOOL CURRICULUM**

*For as many as are led by the Spirit of God, these are sons of God. Rom 8:14*

We live in exciting end times, where God is restoring many truths to the church. We are seeing an exciting new generation of believers emerging with a Holy Spirit inspired desire in their hearts. They see the declining state of the world and want to be part of the church that can make a difference.

They crave for the keys that motivated and activated the early church to turn the world upside down and know that there is a potential within them which is yet to be released.

They can see from Scripture what God expects from those who train them.

*Their responsibility is to equip God's people to do His work and build up the church, the body of Christ, until we come to such unity in our faith and knowledge of God's Son that we will be mature and full grown in the Lord, measuring up to the full stature of Christ.*  
*Eph 4: 11 – 13*

God's expectation is that all believers are to be equipped to operate in the same love and power of Jesus.

Jesus Himself expects this of every believer.

*"I tell you the truth, anyone who believes in me will do the same works I have done, and even greater works, because I am going to be with the Father. John 14:12-13*

Jesus believes this can happen to you and in fact commands it. *You will do the same works I have done.*

## **BASIC EQUIPPING TRACK GOALS**

This is the reason this School was established.

Traditionally, most ministry schools have been established to train full time ministers. This course, however, is for "...*anyone who believes in me.*"

This means that whether you are a tradesman, professional or housewife, you can be equipped to do the works that Jesus did. As a result you can have a transforming effect on those you come in contact with on a daily basis.

For those who sense a call on their lives to be an equipper, further courses are available.

## **THE EQUIPPERS**

The equipping material and activation exercises has been provided by those who have operated in power ministries, planted churches and have trained others to duplicate them. Therefore it is proven, theologically sound and extremely practical.

## NETWORKING

By providing this course, we envisage a global network, partnering with churches and Christian organizations to provide leadership training that is practical, Spirit-led and theologically sound.

We see emerging leaders serving with distinction, with the 5 fold ministry leadership, in church planting, evangelism, global missions and a diversity of specialized ministries, impacting our world for Christ.

## OUR SPIRITUAL STAGES OF GROWTH

In the natural we have various stages of growth, kids, teens and adults and the same applies in the spiritual.

*“I write to you, **little children**, because your sins are forgiven you for His names sake. I write to you, **fathers**, because you have known Him who is from the beginning. I write to you **young men** because you have overcome the wicked one...”* *1John 2: 12-13*

In this Scripture the apostle John mentions these 3 stages of spiritual growth.

- Little children...learning to walk in the Spirit.
- Young men...hearing from God and being Spirit led.
- Fathers ...giving birth to new spiritual babies

The Spirit Led Ministry School has courses for all 3 stages of growth, and has a balance of both theological and practical “hands on” aspects.

The basic characteristics of each stage are listed in more detail below. This is then followed by a list of the Spirit Led Ministry courses available, for each spiritual stage.
